Att: EMANUEL CELANO
Unknown

Dear Mr. EMANUEL CELANO,

Please find below a cost-breakdown for the recent work quotation.

Many thanks,
Rid Islam

#	Item Description	Quantity	Unit price (\$)	Total (\$)
1	all the data field need to be changed to italian format dd/mm/yyyy - If it is only for date formate then this cost apply	1	100.00	100.00
2	Multiple Teacher Assign in one class as class teacher - We have to change full system archetechture so that this module price is little high	1	300.00	300.00
3	teachers can see only their students and students can see only their class teachers	1	200.00	200.00
4	extra fields (*) for students - Need to show these extra fields to everywhere where student data shown or displayed	1	200.00	200.00
5	All Class Option in admin login at student module - also their you mention about assignment task, but their is no assingment module. We can give you assignment module in this system (this cost is with assignment module)	1	200.00	200.00
6	Hide Some Menu	1	50.00	50.00
7	Newsletter Module with email notification to all student	1	100.00	100.00
8	Full Translation of this script within	1	100.00	100.00
Subtotal				1250.00
Sales Tax (0%)				0.00
Total				1250.00

Their are some Modules which are related to whole system so that its time consuming to complete them. Time will need for this customization approximately one month. But let us know if you have any question.

Many thanks for your customization query! I look forward to doing business with you again in due course.

Payment terms: Need 50% Payment before we start and 50% before we start second half of work.
